Melina Saunders
Talent Aquisition - Attraction
& Recruitment Specialist
Victoria, Australia

Dear Mrs. Melina Saunders,

I am looking for a sponsor company where I can work permanently or remotely during the period of the English course (or more) to improve my English skill. Also, I aim to use my technical English knowledge.

I believe I'll adapt easily to your company and culture as long as the opportunity and support are provided. When conditions are changed I can tune myself. Also, I am strong at self-learning. If you have spare some of your time, I would like to interview you.

Sincerely,
